

**We call on the entire worldwide community:**

- with the end of apartheid in South Africa as a role model -  
to realize what the Jewish Israeli Peace Movement has required for a decade,  
the Christian Palestinian Community seeks through the Kairos Palestine Document  
and the entire Palestinian community needs so desperately;

To with active nonviolence commit ourselves to a just and thus a sustainable peace in the one  
sided occupation enforced via overwhelming violence by Israel, through

- total and immediate boycott,
- divestments
- sanctions against the state of Israel.
